

ABOUT ME...

My name is Oriol Segura Ambros. I'm from Gironella (Berguedà). I'm 15. On my free time I like to learn new things and try new experiences. I love travelling, not only for the fact of visiting places that I have never been, but for being able to meet new people and a different culture from ours!

I've been studying English since I was a child. Last summer I passed the B1 level. This summer I think I'm ready to travel to Ireland and consolidate my English level. What's best for learning a language than practicing it! This trip is a unique opportunity from me and a dream come true! I've decided to write a diary. The diary will help me to finance a little part of the project. Also I will share my experience and help other young people who have doubts about taking a trip abroad. This is one of the most important things for me!

And I don't want to let you know more about me because I think that you will discover how I am through the diary!

MY FIRST PAGE...

APRIL 2015

This is the first page on my diary. I'm going to explain the blog. Every evening I'm going to explain here my experiences, my feelings, the activities I've done, etc. If you contribute on the project, you are going to see my posts! Also I'm going to share videos, spots about the project, photos, the information about the trip... This is only an introduction because I'm starting writing my diary the 28 of July! But I'm going to post here and share information, photos or vídeos on [Twitter](#), [Facebook](#), [Youtube](#) or [Google+](#)! Also you can [download the Android](#) app!!

Yo escribiré mis posts en inglés, español y catalán indistintamente, eso sí, repitiendo en cada idioma lo más importante y así podrás seguir el diario con el idioma que prefieras. Este post es libre y lo puede consultar cualquiera, pero el diario entero sólo lo podrán leer los que hayan contribuido a hacerlo posible. El 28 de julio empieza mi experiencia, pero seguid conectados a las redes sociales.

Ara toca publicar en català. M'és molt més fàcil que amb els altres dos idiomes, així que demano disculpes si a la versió digital del diari hi ha algun error ortogràfic o no s'entén ben bé una part dels posts. De tota manera intentaré que això no passi! Com que estaré a l'estranger potser també hi haurà algun dia que no podré publicar a les hores habituals o simplement no podré fer-ho. Si passa això serà un cas excepcional. Seguiu les xarxes socials o el blog per anar veient més informació fins a l'estiu. I res més, el 28 de juliol comença l'aventura, però ens veiem abans!
